**PRESS**

"No Es Tarde" Limited edition 7" full color cover vinyl from Manuvers featuring Dave Ghetto, Hordatoj and Senciyo. This has been a long time coming, a collaboration to unite two countries on one song. Dave Ghetto (long time friend of Manuvers from the Counterflow days) alongside underground sensation from Chile Hordatoj, are brought together on this powerful track, soulful yet dance floor friendly. The hook is beautifully crafted by non other than Senciyo, a soul vocalist from Chile who has a long history of rocking shows and guest appearances in the Chilean musical scene.

Dave Ghetto recently was featured on Dj Jazzy Jeff's new album "The Return of The Magnificent", and just recorded the video for the upcoming single "Come On".

Be on the look out for all four artist, for they are at the forefront of a very strong musical movement. A true collectors item, backed with two bonus instrumentals, "Throw Some Keys On That B!tch" and "Amex Platinum" on the B side. All tracks produced by the beatsmith himself, Manuvers. The bonus Beats are only to be found on this release.
