PRESS

STROKE.ARTFAIR is teaming up with **PROJECT MOONCIRCLE** to present an incredible selection of sounds and artworks.

Project: Mooncircle – founded in 2002 and presently one of the most creative German Music-labels – have teamed up to present **STROKE.MUSIC**, their first joint cooperation; a “*soundtrack to art*”.

The **STROKE.ARTFAIR** is the world's first art fair with a main focus on all developments concerning the worldwide movement of the so-called Urban Art. The fair was planned as a wandering-concept to justice the demands of this international art movement. The **STROKE.ARTFAIR** took already place twice in Munich (October '09 and Mai '10) and once in Berlin (October '10). The next issue of the fair – **STROKE.ARTFAIR** – will take place once again in Munich (May 26 – 29). Additional shows will be presented throughout Germany next year. The Berlin-based label, with its unconventional and genre-crossing mixture between Hip Hop, Electronica, Downbeat, Soul, and Dubstep, and the first worldwide Urban Art Fair share a great set of ideals and, therefore, promise to be the perfect partners for **STROKE.MUSIC**. To bring **STROKE.MUSIC** into being, the artists of the **STROKE.ARTFAIR** galleries were asked to choose their personal favorite song out of the vast musical label-archive and use it as inspiration to create a new piece of art. The results of this venture will be presented in Munich during the **STROKE.ARTFAIR** in a special exhibition. Every interested visitor will be able to listen to the music while looking at the art in order to blend the impressions into a complete audio-visual experience. The **STROKE.MUSIC** compilation will be available as a free download for the first thousand interested listeners. Afterwards, every art- and music-aficionado can acquire the compilation for the price they believe to be appropriate.

Download information available by 5/26/2011. Artwork by **Alexandros Vasmoulakis**. The compilation includes acts like **Robot Koch, fLako, John Robinson, DZA, Comfort Fit, Mike Gao, Dday One, Numaads, Glen Porter, The Q4, Long Arm, Graciela Maria, Pavel Dvgal, Joe Kickass, Killing Skills, Ta Ku, Szenario, Nienvox** and more...

POWERED BY **URBANEARS**.
